To: Whom It May Concern

From: Dave Pier, CEO Boys & Girls Clubs of Sonoma Valley

Re: Community Pool Project on Verano Ave.

The Boys & Girls Clubs of Sonoma Valley is pleased to learn of the effort that Sonoma Splash is making to place a community pool on the 'Paul's Resort' property on Verano Avenue. The proximity to the Maxwell Clubhouse lends itself to the ability for Club youth to readily utilize the pool facility.

In addition, the geographically central location is ideal for the Sonoma Valley community at large, and will certainly stand to benefit the youth and families who do not currently have access to swimming and water safety.

The Club believes strongly in creating positive opportunities for youth to learn and succeed, and having a community pool be accessible to the youth we serve is ideal, and creates an opportunity that does not exist for them currently.
