La Luz Center is excited to learn that Sonoma Splash has found such an outstanding central location for a community pool on the "Pauls Resort" property centered in the heart of Sonoma Valley.

The proximity of the Pool to the Boys & Girls Clubs Maxwell Clubhouse as well as Maxwell Farms Park will lend itself to ease of use and availability. Water safety, recreation, community spirit, exercise, team building and good clean family fun when enjoying the outdoors is invaluable to young and seniors alike.

La Luz Center applauds Sonoma Splash for their drive and desire to bring a community to Sonoma Valley residents.

Sincerely,

  
Juan Hernandez
