Paul Favaro, President  
Sonoma Valley Health and Recreation Association  
PO Box 1544  
Sonoma CA 95476

Dear Paul,

Vintage House enthusiastically supports the goals of Sonoma Valley Health & Recreation Association (SVHRA) and endorses efforts to organize widespread community-based support for a multi-use community aquatic facility.

The facility you envision will not only benefit our entire community, it has tremendous potential to offer aquatic programs designed for our older population.

I look forward to working together in the future to create and promote successful programming to address the recreation, socialization, fitness and therapeutic needs of our seniors.

Sincerely,

Cynthia Scarborough  
Executive Director
